Keep it Real - Winter Retreat

Dates: March 1-3, 2024

Location: Muskoka Bible Camp

## What's the Winter Retreat all about?

The theme of our winter retreat this year is **Keep it Real** and it will provide students (**GRADES 7-12**) with an opportunity to be strengthened in their spiritual walk with God and relationships with others. Peter reminds us in Acts 2:17 that **"In the last days... God will pour out his Spirit on all people."** We want to see our students experience the outpouring of the Holy Spirit knowing that the Spirit of God will transform and empower our students to be bold and courageous for God. As we make more space in our lives for the Holy Spirit, we'll trust that God will accomplish all that he desires in our students.

## What are we doing at the Winter Retreat?

We have planned a fun and creative weekend that will engage our students on many levels. Activities will include:

- **Powerful and engaging youth services that will challenge and inspire students**
- **Small group time for students to discuss and connect with one another**
- **Meaningful prayer times where students can encounter the Holy Spirit**
- **Fun activities throughout the weekend like tubing and snow shoeing**
